WELDING BOOKS

The Procedure Handbook of Arc Welding

14th Edition Published by The James F. Lincoln Arc Welding Foundation

With over 500,000 copies of previous editions published since 1933, the Procedure Handbook is considered by many to be the Standard of the arc welding industry. Now readers have an even opportunity to order. The hardbound book contains over 750 pages of welding information techniques and procedures, photographs, drawings and charts. Much of this material has never been included in any other book.

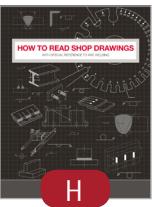

PH

New Lessons in Arc Welding

Third Edition

Through the past 20 years this book has remained one of our strongest sellers because it explains the fundamentals of welding so well.

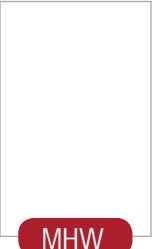

79 separate lessons cover virtually all phases and techniques of welding.

L

How to Read Shop Drawings With Special Reference to Arc Welding

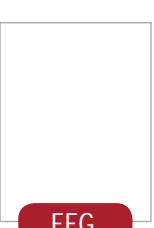

This book for students and shop personnel provides a simplified approach to mastering the reading of shop drawings. 180 pages.

H

Metals and How to Weld Them 400 pages

This book describes the internal structure of metals and its relation to mechanical and physical properties and weldability. This dual-purpose textbook and reference manual is written in non-technical language so high school seniors, welders, supervisors, engineers and educators will easily assimilate all data.

MHW

Fabricators and Erectors Guide to Welded Steel Construction

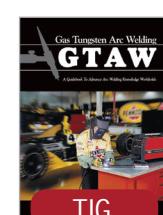

This condensed 53-page paperback book is filled with valuable information that every welding engineer needs to know. Get answers to welding process selection, cost analysis, welding procedures (WPS), general fabrication guidelines (t-up, backing, gouging, welding techniques, etc.). This contains one of the best articles ever written on weld cracking/solutions.

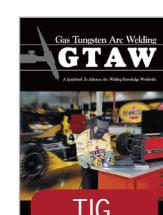

FEG

Este libro describe la estructura interna de los metales y su relación con las propiedades mecánicas y físicas, y la capacidad de soldadura. Este libro de texto y manual de referencia de doble propósito está escrito en lenguaje no técnico para que los estudiantes del último año de preparatoria, soldadores, supervisores, ingenieros y educadores asimilen fácilmente todos los datos.

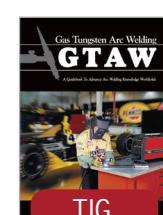

Cet ouvrage décrit la structure interne des matériaux et leur rapport avec leurs propriétés mécaniques et physiques ainsi que leur soudabilité. Ce livre de texte et manuel de référence à double objectif n'est pas rédigé en langage technique, de sorte que les lycéens, les soudeurs, les superviseurs, les ingénieurs et les éducateurs peuvent facilement assimiler toutes les informations.

ORDER FORM

OR PLACE YOUR ORDER AT WWW.JFLF.ORG

ORDER FORM: Educational Resources Division, The Lincoln Electric Company, P.O. Box 17188, Cleveland, OH 44117 FAX NO. 440-951-2110
To check on your order, call Book Division – 440-975-4338 Ext-230.

Please print or type your name and address in the space below. Enclose check or money order with your order, do not send cash through the mail.

Name _____ Date of Order _____

Address (Cannot deliver to PO Box) _____ Telephone _____

City _____ State _____ Zip _____ Fax. No. _____

Method of Payment: CHECK ONE: (Sorry, No C.O.D. Orders)

PAY PAL — Now available for online orders

CASH ORDER — Check or Money Order Enclosed, U.S. Funds only. Make checks payable to:
The James F. Lincoln Arc Welding Foundation

CREDIT CARD —

Account No. _____

Signature as it Appears on Card: _____

The James F. Lincoln Arc Welding Foundation and Lincoln Electric Company produce textbooks and teaching aids devoted to furthering knowledge of the arc welding process. Engineering design information, procedural data and skill development techniques are illustrated and explained in detail. This publishing effort is provided as a non-profit service to industry and education. Books are priced accordingly. (Caution Purchasing Agents: Purchase Orders must be "Check with Order" including UPS charge from chart above.) • Credit card charge, cash, check or money order MUST accompany all orders. Any orders received without payment will be returned.

Return Policy:

We will accept returns within one (1) year of purchase.

** NO RETURNS WILL BE ACCEPTED AFTER A YEAR **

The book must be in good condition and resalable. Please return to the address:

The James F. Lincoln Foundation
c/o AP Direct
7181 Industrial Park Blvd.
Mentor, OH 44060

Shipping Policy:

1. Continental U.S. Shipping Policy

UPS Shipping

1. All prepaid orders by check use chart below for UPS charge.
2. Order will ship within 7 days from receipt of order.

Order Value	Shipping Per Order
\$ 0- 35.99	\$ 9.00
\$ 36.00- 69.99	\$12.00
\$ 70.00- 99.99	\$15.00
\$ 100.00-149.99	\$20.00
\$ 150.00-Over	Consult Book Division at www.jlf.org

2. Outside Continental U.S. Shipping Policy

- Payment must be prepaid in U.S. Funds on all orders. Consult Book Division at www.jlf.org.
